

MEG UK is a Place Where Everyone Is Empowered to Find the Strength, Identify their Own Needs and create their Own Solutions to Reach & Achieve their Goals, Vision & Dreams.

Migrant Empowerment Group transform the lives, statues of less privileged and disadvantaged (asylum seekers, refugees and migrant) so they can become aware of their rights and full potential, and excel into positions of leadership and financial independence.

We are an advocacy and research group which works with and for Asylum seeker, Refugees and Migrant to enhance their ability to rebuild their lives.

We aspire to provide first hand and quality support through engagement, social and recreational activities. We aim to deliver consultations, workshops, events, trainings, seminars and conferences strategically designed to educate, empower, mentor, inspire, and promote integration and leadership of underprivileged people in the UK and international.
